
CONCEALED LIFT OFF CLICK HINGE STANDARD 120°

Concealed hinge with a patented function that enables the door part to be engaged to, or separated from the frame part with a "click".

Easy door assembly by placing the door in the frame parts and then closing the door. The door part and frame part snap together. Secure the hinge by latching the red safety cam.

The frame part is equipped with M6 studs for assembly. The door part is mounted on weld-on studs. Universal right and left mounting.

MATERIAL
Door part: Zinc die cast, zinc plated
Frame part: Steel, zinc plated
Pin: Stainless steel 303
Safety cam: Glass fibre reinforced Polyamide (PA6GF30)
