

SUSTAINABILITY POLICY

Sustainable development is a development that meets the needs of the present without compromising the ability of future generations to meet their own needs.

Industralas develops, manufacture, and distribute products of high-quality access solutions. As a result, we affect the environment both locally, regionally, and globally. We act sustainably on the social, environmental, and economic dimensions and we are convinced that it is possible to grow as a company and at the same time be in harmony with people and the planet.

ENVIRONMENTAL

We are aware of our responsibility towards people and nature, and we want to minimize the effect our actions might have on the environment. Therefore, our important goal is to minimize the direct effect on external environments through reduced consumption of natural resources, reduced production- and process waste, and work towards low energy consumption.

We shall follow the environmental laws and directives from the governments where we are operating.

We commit to continuously developing our environmental work to decrease our effect on the earth and its resources.

SOCIAL

Industralas thinks that all people have the same value and rights and have an absolute zero policy towards all forms of discrimination. Equality and diversity are important for the company and society's development. We work continuously to curb the presence of inequality and discrimination in the community and globally.

We shall be an inclusive employer who embraces diversity. We shall be good citizens and act exemplary to develop alongside the communities we are active within.

The employees' health and well-being shall be in focus, and we strive to offer a good and safe work environment with a systematic approach throughout the entire organization.

We shall follow the demands and existing laws from governments to promote workers' and human rights in society and at the workplace.

ECONOMIC

We shall provide conditions to ensure long-lasting sustainable development and prosperity for the company.

We shall actively work according to management systems within quality and environment to meet the demands of our customers.

Through innovation and continuous work, develop systems and processes in the manufacturing of products to create and enhance the value for our customers and suppliers.

We have an absolute zero-policy towards any kind of behavior breaking good business ethics within the organization, and we develop our work to curb corruption, bribery, and the abuse of power around the globe.
